Summary: Fearing every step you take.

Forgotten Memories

Forgotten Memories

The screams
> Heard faintly in the distance,
 Darkness surrounds...

Fearing every step you take -

You never know
> What's around the corner.
 Just when you think its's safe:

An inhuman cry

Panting
> Body tired..<p>

Your mind reeling
> Trying to figure out where to go,
 What to do...
> Without becoming a victim just like the rest of them.<p>

End
file.
